

THE HERBARIE FORMULARY

Body Care - Cleansers

Pam's Avena Shower Foam

This shower foam was also created by Pam Ingle of Nymphaea Soaps, Etc -- thank you, Pam! The formulation works perfectly in the "foamy bottles". The Cocobetaine/Lactylate Surfactant Blend is a gentle cleanser for all skin types. The VenaSilk and Hydrolyzed Oats are an excellent combo to soothe and moisturize skin. We think this one is a winner!

Ingredient	Amount
Cocobetaine/Lactylate Surfactant Blend	14% = 70 grams
VenaSilk	1% = 5 grams
Hydrolyzed Oats	1.5% = 7.5 grams
Distilled Water	82.2% = 411 grams
Lavender eo	1% = 5 grams
Liquid Germall Plus	0.3% = 1.5 grams

Heat distilled water to 175-180F, add VenaSilk, blend well (stickblender). Add Hydrolyzed Oats and Cocobetaine/Lactylate Surfactant Blend to solution and gently blend. When mixture cools to 120F or less, add Lavender eo and Liquid Germall Plus and mix gently. Pour into foamy bottles.
