Body Care - Creams

Coconut Cream NatraMulsion™

Coconut Cream Natramulsion™ is truly one of our favorites! NatraMulse provides the emulsification system as well as moisturization and conditioning for this all natural cream formula. Our lovely botanicals, Rose Hydrosol, Melissa Hydrosol, Plantago Extract, and Botanical Complex LSC, offer nutrition, moisturization and skin softening benefits. Our exquisite oils, including our new Abyssinian Oil and Extra Virgin Coconut Oil provide excellent conditioning and skin softening. An added benefit is the lovely coconut scent! Leucidal Liquid serves as the natural preservative. We hope you will enjoy this formula as much as we do!
