Olive Tree Moisturizing Cream

Enriched with gifts from the Olive Tree (*Olea Europaea*) -- this formula features Olive Oil PEG 7 Esters and Olive Leaf Extract! The Herbarie's Olive Tree Moisturizing Cream demonstrates the multifunctional capabilities of Olive Oil PEG 7 Esters as a co-emulsifier and as a key emollient. Olive Leaf Extract is a blend of active substances such as bioflavonoids and polyphenols that have antioxidant qualities and function as free radical scavengers. We've included Behenyl Alcohol in a blend of fatty alcohol/acids to give the cream body, emollience and a velvety feel.
