Body Care - Lotions

Plantamulse Liquid All Natural Lotion

Featuring Plantamulse Liquid in an All Natural Lotion! This easy to make, cold process, light lotion will moisturize and condition skin, leaving it silky soft. Plantamulse Liquid and Soy Lecithin HLB 4 function as the emulsifiers in this formula. These multifunctional, natural emulsifiers serve as skin conditioning agents as well as emulsifiers. XanThix and Ultra maize function synergistically with the emulsifiers to provide structure and stability. We've included Marula Oil and Jojoba Oil, along with our Botanical Complex LSC, to provide conditioning and lovely emolliency. Optiphen is the primary preservative in this formula.
