

THE HERBARIE FORMULARY

Facial Care - Emulsions, Serums & Gels

Raspberry & Rose Lotion

Raspberry and Rose in a luscious, nutrient-rich lotion! This formula features The Herbarie's Raspberry Seed CO2 Extract. This lipophilic extract is rich in skin-nourishing essential fatty acids and antioxidants, such as gamma-tocopherol. Our NatraMulse and VenaSilk work together to create a stable emulsion and also provide superior conditioning to skin. Our Calendula Extract provides nourishing skin care benefits from the calendula flower, as well as excellent "feel and slip" in this formula. The Herbarie's Rose Hydrosol makes this a delightful 'unscented' formula.
