

# The Herbarie at Stoney Hill Farm, Inc.

630 Turner Road  
Prosperity, South Carolina 29127  
803-364.9979

**Product Trade Name:** Aloe Vera Spray Dried Powder 200X

**INCI Name:** Aloe Barbadensis Leaf Juice

**Emergency Telephone Number: CHEMTREC: 1-800-424-9300**

## Hazardous Identification

This material is non-hazardous as defined by the OSHA Hazard Communication Standard.

## First Aid Measures

Skin: Wash with soap and water. If irritation develops, seek medical attention.

Eyes: Flush with water for at least 15 minutes. If irritation develops, seek medical attention.

Ingested: Seek medical attention.

## Fire Fighting Procedures

Flash Point: NA

Unusual Fire & Explosion Hazards: None known.

## Handling and Storage

Store in cool area away from direct sunlight.

## Exposure Controls & Personal Protection

Not relevant

## Physical and Chemical Properties

Physical State: Liquid

Colour: Amber

Odor: Characteristic

pH: 4.5 - 6.0

Solubility: Soluble in water

Microbe Count: <10 organisms per gram

## Stability and Reactivity

Stability: Stable

Conditions to avoid: No additional special precautions

Hazardous decomposition: None.

Incompatibility (materials to avoid): None

Hazardous polymerization: will not occur

## Toxicological Information

Acute oral toxicity: None

Dermal toxicity: None

Dermal irritancy: None

Occular irritancy: May cause irritation

Inhalation: May cause irritation

## Ecological Information

Biodegradable

## Transportation Information

Nonhazardous

The information in this MSDS was obtained from sources which we believe are reliable. However the information is provided without any warranty, express or implied, regarding its correctness. The conditions or methods of handling, storage, use or disposal of the material are beyond our control. For this reason we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the material. This MSDS was prepared and is to be used only for this material. If the material is used as a component in another material, this MSDS information may not be applicable.
