

The Herbarie at Stoney Hill Farm, Inc.
630 Turner Road
Prosperity, South Carolina 29127
803-364-9979

Product Trade Name: Viamerine 2500

INCI Name: Oleic/Linoleic/Linolenic Polyglycerides

CAS no: 368869-31-2 **EINECS no:** 294-582-5

Hazardous Identification

This material is non-hazardous as defined by the OSHA Hazard Communication Standard.

First Aid Measures

No specific measures to be taken in case of contact with the eyes or accidental ingestion.

Fire Fighting Procedures

Carbon dioxide, powder, foam – do not use water. Use self-contained breathing apparatus when fighting fire.

Handling and Storage

Store in cool dry area away from direct sunlight.

Exposure Controls & Personal Protection

Not relevant

Physical and Chemical Properties

Physical State: Yellow to Amber Viscous Oily Fluid

Odor: Characteristic

Solubility: Soluble in oil

Stability and Reactivity

Stability: Stable

Conditions to avoid: No additional special precautions

Hazardous decomposition: None.

Incompatibility (materials to avoid): None

Hazardous polymerization: will not occur

Flash Point: >100C

Auto-ignition and decomposition point: 300C

Biodegradable

Toxicological Information

Acute oral toxicity: NA

Dermal toxicity: NA

Dermal irritancy: NA

Ocular irritancy: NA

Transportation Information

Nonhazardous

The information in this MSDS was obtained from sources which we believe are reliable. However the information is provided without any warranty, express or implied, regarding its correctness. The conditions or methods of handling, storage, use or disposal of the material are beyond our control. For this reason we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the material. This MSDS was prepared and is to be used only for this material. If the material is used as a component in another material, this MSDS information may not be applicable.
