

The Herbarie at Stoney Hill Farm, Inc.

630 Turner Road
Prosperity, South Carolina 29127
803-364-9979

Product Trade Name: AquaEm

INCI Name: PEG-6 Caprylic/Capric Glycerides (and) Polyglyceryl 6 Dioleate
9300

Hazardous Identification

This material is non-hazardous as defined by the OSHA Hazard Communication Standard.

First Aid Measures

Skin: Wash with soap and water. If irritation develops, seek medical attention.

Eyes: Flush with water for at least 15 minutes. If irritation develops, seek medical attention.

Ingested: Seek medical attention.

Fire Fighting Procedures

Flash Point: unknown

Unusual Fire & Explosion Hazards: None known. Treat as a fat or oil fire. Do not use heavy stream of water.

Handling and Storage

Store in cool area away from direct sunlight.

Exposure Controls & Personal Protection

Not relevant

Physical and Chemical Properties

Form: Clear liquid

Odor: slight to none

Specific Gravity: not determined

Soluble: Soluble in water

Boiling point: not determined

Stability and Reactivity

Stability: Stable

Conditions to avoid: No additional special precautions

Hazardous decomposition: None.

Incompatibility (materials to avoid): None

Hazardous polymerization: will not occur

Toxicological Information

Acute oral toxicity: Excessive ingestion may cause mild nausea or abdominal discomfort

Dermal toxicity: No adverse effect expected

Dermal irritancy: No adverse effect expected

Occular irritancy: May cause mild irritation

Ecological Information

Not determined

Transportation Information

Nonhazardous

The information in this MSDS was obtained from sources which we believe are reliable. However the information is provided without any warranty, express or implied, regarding its correctness. The conditions or methods of handling, storage, use or disposal of the material are beyond our control. For this reason we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the material. This MSDS was prepared and is to be used only for this material. If the material is used as a component in another material, this MSDS information may not be applicable.
